Re: California Rehabilitation Oversight Board's Request for Conflict-of-Interest Code
Exemption

Dear Ms. Bordenkircher:

This letter is in response to your request for an exemption for the California Rehabilitation Oversight Board from inclusion in a conflict-of-interest code.

Your request for exemption is granted under California Code of Regulations Section 18751(c)(3). We agree that Assembly Bill 900 does not provide Board members with authority to make or participate in the making of governmental decisions that could have a material financial effect. Thus, Board members are not required to be designated employees in a conflict-of-interest code, within the meaning of Government Code Sections 82019 and 87302(a).

If you have any questions, please feel free to contact Lynda Cassady of our Technical Assistance Division at (916) 327-2019.

Sincerely,

Michael B. Salerno
Executive Director
